2016 Greater DC Regional Botball® Tournament Results

Overall

1	Dead Robot Society (16-0006)
2	Rockville High School (16-0333)
3	Walter Johnson High School (16-0571)
4	Explorer Post 1010 (16-0162)
5	Great Mills High School (16-0247)

The Overall winners for Botball® are determined by Double Elimination rank, Seeding Round scores and Online and Onsite Documentation scores.

Double Elimination

1	Dead Robot Society (16-0006)
2	Walter Johnson High School (16-0571)
3	Rockville High School (16-0333)
4	Explorer Post 1010 (16-0161)

Robots from two different teams compete on the game board simultaneously in an effort to score as many points as possible, but also to keep their opponent from scoring. Double Elimination placement makes up about one-third of the overall Botball® score.

Seeding

1	Dead Robot Society (16-0006)
2	Walter Johnson High School (16-0571)
3	Rockville High School (16-0333)
4	Great Mills High School (16-0247)

In the Seeding Rounds, teams run their robots unopposed and attempt to score the most points possible. Seeding round scores determine initial placement in the Double Elimination bracket and account for about one-third of each team's overall score.

Alliance Challenge

1	Legacy Robotics (16-0341) & Thomas Jefferson High School for Science and Technology (16-0142)
2	Holmes Middle School (16-0539) & Bald Eagle Area School District (16-0086)

In the Alliance Challenge, teams and their robots have to work together to score as many points as possible.
