

Lessons from DC Region Botball 2016
Rockville High School
April 23 2016

We need to preserve our successes and learn from our failures.

Good

4th place double elimination and overall

Scored what we predicted

Almost beat DRS

Won team spirit award!

Improved during tournament

Yoga's birthday was recognized

We had development at Rockville Science Day next day

Friends with Rockville High School

Bad

Need better teamwork

Need to make more direct assignments

Need more training

Need to use more sensors

Ugly

No KIPR documentation on programming libraries

Nothing worked the way we wanted

Forgot to plug in motor

DMR errors

Gladys broke an arm

Problem keeping batteries charged
