Judging

Team judging begins at 8:00 a.m. Please be prompt. Each Team will have a ten to fifteen minute “fact-finding” interview with a panel of two or three judges. At the start of the interview, Teams will have a maximum of 5 minutes to present to the judges. After the Team’s five-minute presentation, the judges will have the opportunity to ask questions about the Team, the Robot, and outreach efforts.

Engineering Portfolios

This year the teams should submit an Engineering Portfolio (not an Engineering Notebook). This is outlined in the Judging Manual.

The Engineering Portfolio should be on paper (not electronic) and should be given to the Judges during the judging interview.

Control Award Submissions

Control Award Submissions, which are optional, should be on paper (not electronic) and should be given to the Judges during the judging interview.

Official Q&A Forum

If you have not already, make sure you check out and review the questions and answers on the FIRST Tech Challenge Official Q&A Forum (<https://ftc-qa.firstinspires.org/>). There are currently (as of 11/28) 187 Questions and Answers about Robot build and game play rules in Game Manuals! More questions and answers are added weekly!

Pit Size

Each team will have a 2'x 6' table and the space immediately in front of that table. There is not a guaranteed minimum pit size, as we must keep the aisles clear for the judges and transporting.

Match Schedule

To be announced.

Health & Safety

Appropriate safety attire, including safety glasses and closed-toe shoes, are required while in the pits.

We encourage all visitors wear a masks in the pits and in the stands. Please stay home if you are experiencing symptoms of illness, especially shortness of breath, fever, cough, or congestion.

Advancement

Teams advance from this event to the FIRST Chesapeake FTC Championship Tournament per FTC Game Manual 1 Order of Advancement.

3

Estimated number of advancing teams from this event. The actual number of advancing teams will be determined at the event.
