### Additional Information:

Please tell us in 50 words or less what you would like the announcer to say about your team and your school or hometown just before your flight at the TARC Finals.

Team 8296 is the senior team from Lockheed Martin Explorer Post 1010. This is their third and final year together as a team. Their experiences have prepared them for engineering programs at Case Western, Florida Institute of Technology, Cornell, and Georgia Tech. Just remember, eat, sleep, and launch!

How many TARC Finals has your team, or any of the people on it, previously competed in?

Please list any sponsors who provided financial support for your team and whom you would like the announcer to acknowledge:

1. Lockheed Martin
2. IBM
3. Friends and Families

Please tell us in 50 words or less about one of your team's most memorable moments in preparing for the competition.

When Trip Barber looked at our rocket and score after a qualification flight, and said, "so it can be done".
