I hereby release Aerospace Industries Association and/or National Association of Rocketry and their respective member companies, affiliates, Board of Governors/Trustees, officers, employees, licensees and assigns from all claims, demands, liabilities, damages, costs and expenses that I may now or hereafter have against Aerospace Industries Association and/or National Association of Rocketry arising in connection with student's participation in the Team America Rocketry Challenge.

I hereby grant to Aerospace Industries Association and/or National Association of Rocketry and their respective member companies, affiliates, Board of Governors/Trustees, licensees and assigns the right to photograph and/or videotape and use the videotape and/or photograph of the below named student during participation in any events related to the Team America Rocketry Challenge and the right to use this media without further compensation to me or student or any limitation whatsoever.

The Aerospace Industries Association has contracted with WestEd to understand student opinions of the TARC program, as well as their current grade, school type, state of residence, interests, and potential career choices. All 10th and 12th grade students will receive a link to an online survey in the fall and in the spring. Each survey will take the student approximately 10 minutes to complete. Participation in the surveys is voluntary and students can still participate in TARC if they do not complete any survey. Students have a chance to win a \$20 Barnes and Noble gift card for each of the two surveys completed within 21 days. If you have any questions or would like to review the survey, please contact: Dr. Stephen J. Ruffini, sruffin@wested.org, 202-471-2467.
